

Breastfeeding Welcome in North Somerset

You can breastfeed your baby anywhere you feel comfortable to do so. The Equality Act 2010 makes it clear that it's against the law for a woman to get less favourable treatment because she is breastfeeding.

The North Somerset Breastfeeding Welcome Scheme aims to offer additional support for mothers to breastfeed when they are out and about with their babies in North Somerset. Any business or venue signed up to the scheme have committed to being extra welcoming to breastfeeding mothers.

Breastfeeding mothers are welcome at: All North Somerset Children's Centres, Libraries and GP Surgeries

The following businesses and venues in North Somerset are also Breastfeeding Welcome:
