

Sports and physical activity bursary scheme

We want North Somerset children and young people to keep active by taking part in the sport or activity they love! Cost can often be a barrier to participation which is why we have secured limited funding to be able to offer a bursary scheme to those who would otherwise not be able to participate in a sport or physical activity of their choice.

Grants of up to £50 are available to fund:

- sports kit / equipment
- sports or activity club membership fees / annual subscriptions
- taking part in events associated with the sport or activity

We are happy to work with North Somerset sports clubs/ physical activity sessions to see if they can support in anyway.

Eligibility

- North Somerset resident
- From a low-income family / experiencing financial pressure
